

OAKHAM

Walk around the town and discover butchers, bakers, and pork pie makers. Head to **Oakham Wines** near the Market Place for the best tipples, or the award-winning **Hambleton Bakery** on Gaol Street. For a deli with a difference, **Otters Fine Foods** on the High Street, stocks a delicious plethora of local produce, such as Rutland Rapeseed Oil. Don't forget our very own brewery pub, **The Grainstore**, on Station Approach.

Market Day: Wednesday and Saturday, with a Farmers Market on Gaol Street every third Saturday.

UPPINGHAM

Soak up the charms of this quaint little town with a host of tempting places to eat dispersed between the family run butchers, **Baines Bakery**, and the foodies treasure troves of **Uppingham Fine Food** and **The Uppingham Cellar** on High Street East.

Market Day for fresh local produce: Friday.

COUNTYWIDE

Enjoy a tour of the county whilst picking up the best bits for your kitchen table. **The Food Market** at **Rutland Garden Village** has a great range in stock. It also has an ingenious initiative of selling local growers glut, so you never quite know what will be on those shelves!

Bat & Bottle Wine Merchants at **Oakham Enterprise Park** are Rutland's specialist importers of Italian wine. They have won awards for their Wine Club, online shop, and by simply being the best at what they do!

The Herb Nursery is a small family-run nursery specialising in herbs to satisfy all kitchen-garden goals. Book a goat walk at **Ganders Goat Farm** where they make soap and ice cream from goat milk.
